DATE: September 27, 2017

SPEAKER: Ben Fuqua

Use the following as a starting point for conversation:

1. Read Ephesians 3.14-21 aloud.
2. This week is all about the love of Christ. Spend some time together talking about it. Here are some points you can discuss:
  - What is the love of Christ? How has He shown His love in Scripture? Share some favorite verses about His love with each other.
  - How has Jesus shown His love to you personally? Share times in your life when the love of Christ was especially obvious to you.
  - Has the love of Christ become stale to you? What do you think has made it hard for you to appreciate His love?
3. Ben said that the antidote to \_\_\_\_\_ is the love of Christ. Anything you struggle with can be put in that blank (addiction, loneliness, etc). What would you fill that blank with right now? How does the love of Christ speak to that struggle?
4. What steps do you want to take this week to marvel more at the love of Christ?
