

# Earth's Most Remarkable People Group

EPHESIANS 2:11-22

Israel is the epicenter of all historical and soteriological reality.

I. **Gentiles (non-Jews) were strangers to God's hope and promises until He changed their \_\_\_\_\_.** (vv. 11-13)

A. The Gentiles had none of five distinct blessings given to the Jews. (vv. 11-12)

**CHRISTLESS** : NO NATIONAL HOPE OF A MESSIAH

**STATELESS** : EXCLUDED FROM LIVING IN A THEOCRATIC UNION

**COVENANTLESS** : FOREIGNERS TO THE BLESSINGS OF GOD

**HOPELESS** : NO FUTURE MESSIANIC AGE TO LOOK FORWARD TO

**GODLESS** : LIVING IN A DESPERATE SITUATION WITHOUT MEANING

B. **BUT** ... God's grace brought Jews and Gentiles near to each other and to Himself by the blood of Jesus. (v. 13)

II. **The Jewish nation built a wall of \_\_\_\_\_ between others and God, but Jesus tore it down.** (vv. 14-18)

A. The Jews were chosen as means of God's redemptive purpose, yet lived in discord with Him and the nations. (v. 14)

B. **BUT** ... in Jesus both Jews and Gentiles are brought from enmity to amity. (vv. 15-18)

## HOW GOD CREATED A NEW PEOPLE GROUP

1. Jesus fulfilled of the Law, \_\_\_\_\_ the barrier of animosity to reconcile Jews and Gentiles. (v. 15)

2. Jesus died on the cross to \_\_\_\_\_ together two distinct bodies into one. (v. 16)

3. Jesus sacrificed to allow this new body to be at \_\_\_\_\_ within itself. (v. 17)

4. Jesus is the conduit whereby the new people group gains \_\_\_\_\_ to the Father through one Spirit. (v. 18)

## Because of This Union ... (vv. 19-22)

Your primary citizenship in Christ—not national but *spiritual*—is part of a \_\_\_\_\_ people group: the church. (v. 19)

Apart from Jesus the \_\_\_\_\_, this new people group loses direction and impact. (v. 20)

The church must guard its \_\_\_\_\_ in order to extend the same peace to others as they come. (v. 21)

We may not look the same, but we are together one holy people group connected by His \_\_\_\_\_. (v. 22)

## SERMON DEVOTIONAL STUDY

1. Read Genesis 12:1-9 and Genesis chapter 15. This is the background of how God chose Israel to be the means by which He would save the world. Explain how familiar you are with this story, and why Israel is the epicenter of all cultural and redemptive history.

2. The United States has recently declared that Jerusalem is the capital of Israel and relocated our embassy to that city. The Palestinians have disputed this for a long time and claim is as their own. How do you see this situation? Do you think it's fair that God would give preference to the people of Israel? Why?

3. How have the Jews fallen into spiritual pride over time because God chose them above any other people in the world? What should they have done to combat this? How do you fall into the same trap as a follower of Jesus?

4. Read Ephesians 2:11-22. Of all people groups, Christians should most embrace those of other races. How did the sacrifice of Jesus kill the hostility between the races? What are you most thankful for in this?

5. What in the sermon particularly helped you grasp this passage of Ephesians?

In this passage of Ephesians, Paul is trying to communicate the importance of **UNITY**. It's particularly crucial to understand that the Christian reflects the character of God by promoting and acting in unity.

**CHRIST  
OVER ALL**

For the leadership of Christ Chapel this idea of unity has always been a focus, and is one of our foundational core values. As you ponder the sermons in this series, consider how important unity is to the church in Ephesus and also to churches today. As an individual, your every action influences the body of the church for good or bad. How have you acted in the past that works against unity? What can you do to promote unity, even when it's difficult?

As you close, pray for the unity of our own church and for the church worldwide, that all would focus on how we share one blood, one source—Jesus Christ.
