μυστήριον
mustērion

*Of God: the secret counsels
in dealing with the righteous,
which are hidden from
ungodly and wicked men
but plain to the godly*

I. The mystery of God is His _____, the union of all believers in Christ. (vv. 1-6)

*This mystery is that the Gentiles are fellow heirs, members of the same body,
and partakers of the promise in Christ Jesus through the gospel. v. 6*

THEN :

CHRISTLESS : No national hope of a Messiah

STATELESS : Excluded from living in a theocratic Union

COVENANTLESS : Foreigners to the blessings of God

HOPELESS : No future messianic age to look forward to

GODLESS : Living in a desperate situation without meaning

NOW :

In Christ Jesus ...

FELLOW HEIRS

MEMBERS OF ONE BODY

PARTAKERS OF GOD'S PROMISES

II. The church reveals the _____ of God through His mysterious ways. (vv. 7-13)

... through the church the manifold wisdom of God might now be made known ... v. 10

A. God's wisdom is to use His power to transform sinners into _____. (vv. 7-9)

... so generously dispense the riches you've received right where God has placed you.

B. God's wisdom is to teach the _____ of His grace as He unites the church. (v. 10)

... so let God's glory be made known by your love for one another.

C. God's wisdom is to allow anyone direct _____ to Himself through Christ. (vv. 11-13)

... so persevere in God's purpose for you as you spend time in His presence.

CHRIST
OVER ALL

The Church is essential to

- God's eternal plan
- God's heavenly witness
- your earthly purpose

... so your participation is _____!

SERMON DEVOTIONAL STUDY

1. Read Ephesians 3:1-13. What is the *mystery* Paul is revealing here, exactly?
2. What is the purpose of the church? How did this sermon help you more fully understand the answer to this question?
3. Read 1 Peter 1:10-12. What do we teach the prophets and angels as we live out our Christian walk here on earth? How revolutionary to you is the idea that even if the world around us doesn't know or care, we are still on display to the heavenly realms?
4. Our assignment as Christ followers in this Church Age is to demonstrate the grace of God, and the way God has chosen to train us is by learning to love one another as we participate in His church. What would you say to someone who argues that church is irrelevant and that they prefer to follow Christ on their own without being part of a church? What does this say about their level of understanding of this passage and their level of spiritual maturity?
5. In some ways the greatest mystery is why God would call you at this point in history to be a part of His church, even when you were dead in sin and did not care for the things of God. This kind of revelation demands a response. How has this knowledge changed your life? What will you do in response to this sermon?

"... so that through the church the manifold wisdom of God might now be made known to the rulers and authorities in the heavenly places." (Eph 3:10)

"... things into which angels long to look." (1 Pet 1:12)

This does not mean the angels want to but can't. It means they want to because in a sense they are outsiders to the drama of sin and redemption and they love to watch the great work of God's salvation unfold in history and in the lives of the saints. Peter's point is this: If angels get excited about our salvation, how much more should we! If angels love to look at the work of God in saving sinners like us, how much more should we who are the very beneficiaries of that salvation love to look into it and be thankful for it and say with Peter, "Blessed be the God and Father of our Lord Jesus Christ".

-John Piper

**CHRIST
OVER ALL**

As you close, talk to the Lord about how being part of His church on earth has shown you more of His character and glory.
