ACTS 2:42-47

Now when they heard this they were cut to the heart, and said to Peter and the rest of the apostles, "Brothers, what shall we do?" ACTS 2:37

I. A new life in Christ is automatically \_\_\_\_\_ by a new life among His body.

And they devoted themselves to the apostles' teaching and the fellowship, to the breaking of bread and the prayers. v. 42

II. The body of Christ is essential as God's tangible means to \_\_\_\_\_ for each believer.

And awe came upon every soul, and many wonders and signs were being done through the apostles. And all who believed were together and had all things in common. And they were selling their possessions and belongings and distributing the proceeds to all, as any had need. And day by day, attending the temple together and breaking bread in their homes, they received their food with glad and generous hearts, praising God and having favor with all the people. vv. 43-47a

**SIGNS OF HEALTHY BELIEVERS THAT MAKE UP A HEALTHY BODY**

Total devotion to biblical teaching, so we have a common understanding of care.

Joyful generosity with resources, so we can share with those in need.

Full participation in each others' lives, so we are close enough to see, care and act.

III. When the body is well cared for, it is healthy enough to reach out and \_\_\_\_\_ .

And the Lord added to their number day by day those who were being saved. v. 47b

Don't \_\_\_\_\_ yourself into believing that you don't need community or that the community doesn't need you.

\_\_\_\_\_ willingly what you have—not just what you *have to*—of your time, talent and treasure.

\_\_\_\_\_ out to one person you know who needs to sense the tangible care of Christ.

*"A new commandment I give to you, that you love one another: just as I have loved you, you also are to love one another. By this all people will know that you are my disciples, if you have love for one another."* JOHN 13:34-35

Each week throughout this series there will be a supplemental video for Home Groups.  
The questions at the end of the video can be discussed before or after your study.

**WEEK 4**  
**the movement unites**  
ACTS 2:42-47

1. Read aloud Acts 2:42-47. What is the most astonishing part of this passage, especially in light of verses 5-11?

2. Why do you think God wants His people to be in community together instead of being alone?

3. How do you see some Christians deciding against community? Why do you think they choose isolation? What do they, and the community, lose in the process of being isolated?

4. What's the most difficult part of being in community with other believers? How do you stay engaged with other believers even when you've been hurt or don't feel like it's worth the effort?

5. How have you noticed spiritual growth in yourself and in others as you've participated in community? What ultimate goals for the body of Christ, both now and eternally, do you look forward to?

*Spend some time now and this week in prayer for those you know who isolate themselves from the body of Christ. Who can you reach out to?*

Ron mentioned different kinds of groups—some that meet shoulder to shoulder in rows, those that meet in a circle face to face, and those who gather to share life together, heart to heart—the latter of which has made a big difference for them. What's one way that your Home Group makes a difference in your life?

How have periods of isolation and separation during the pandemic helped you realize the importance of living life together in biblical community?

What's one step your group could take that would help you grow in your love for Christ and for each other?
