REBUILDING

A STUDY IN THE BOOK OF NEHEMIAH

HOME GROUP DISCUSSION

1. What work has God given you to do? How did this sermon encourage you in that work?

2. Read Nehemiah chapter 3. The animals for sacrifices at the Temple were brought in through the Sheep Gate (see illustration below right). Why do you think this chapter starts and ends the way it does, and why is it important?

3. What strategy did Nehemiah employ in tackling the huge job? What does that say about Nehemiah's view of labor, and how does it compare with your own view?

4. Read Nehemiah chapter 4. What tactics did Sanballat and Tobiah use in ridiculing the people of God? What was Nehemiah's plan for dealing with them, and how does that encourage you?

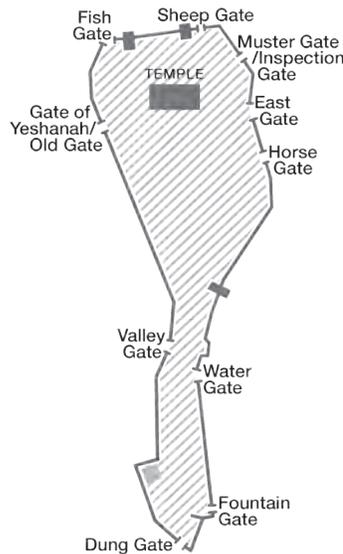

5. What kinds of opposition do we as believers face today? What specific steps from Nehemiah's example can we utilize to help us keep working despite opposition?

6. How do you typically respond to discouragement in the work God has given you? How do you think God would like you to respond? How can you continue His work when discouraged?

"We are fit for the work of God only when we have wept over it, prayed about it, and then we are enabled by Him to tackle the job that needs to be done."
