## HOME GROUP & DEVOTIONAL STUDY

1. Looking back over the last year, how have you personally seen God's work in your life, despite the challenges? What positive things have happened?

2. How have you been involved in any of the ministries the pastor talked about in the sermon? Which has encouraged you the most, and why?

3. How have you seen Christ made clear through our church fellowship this year? How has that built up your spiritual growth?

4. In which part of the concentric circle of Jesus' command to be His witness do you feel most comfortable (our church, our county, the state, the world)? Where do you feel you need to challenge yourself to become more involved?

5. What kinds of things would you like to see God do through Christ Chapel by this time next year?

6. Close in a prayer of thanksgiving for God's blessings on our church body over this past year. Include any from your personal life as well.
